IS GOING  
ON HERE!

SOMETHING  
FUNNY

IN THIS ISSUE:

**WE  
"MONKEY"  
WITH  
KING  
KUNG**

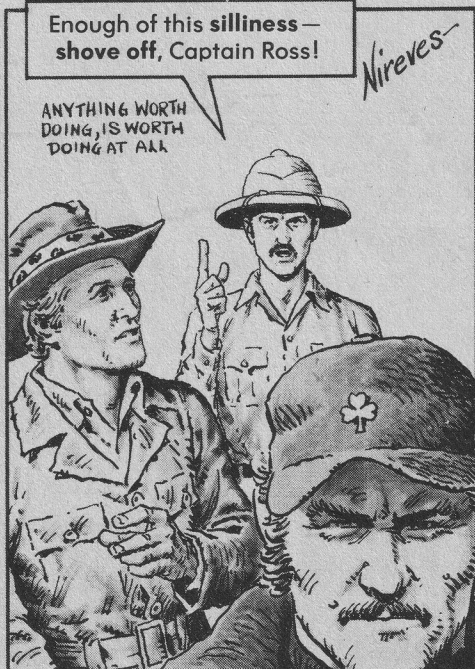

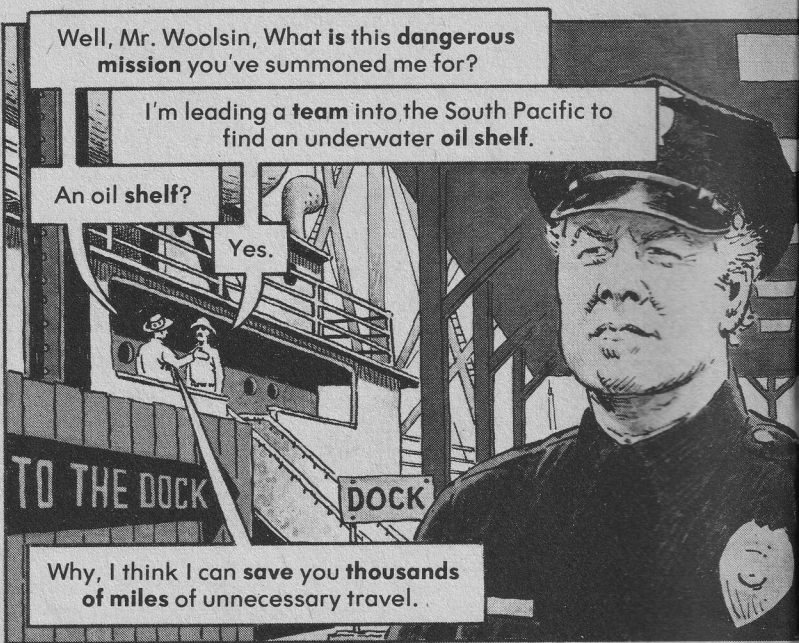

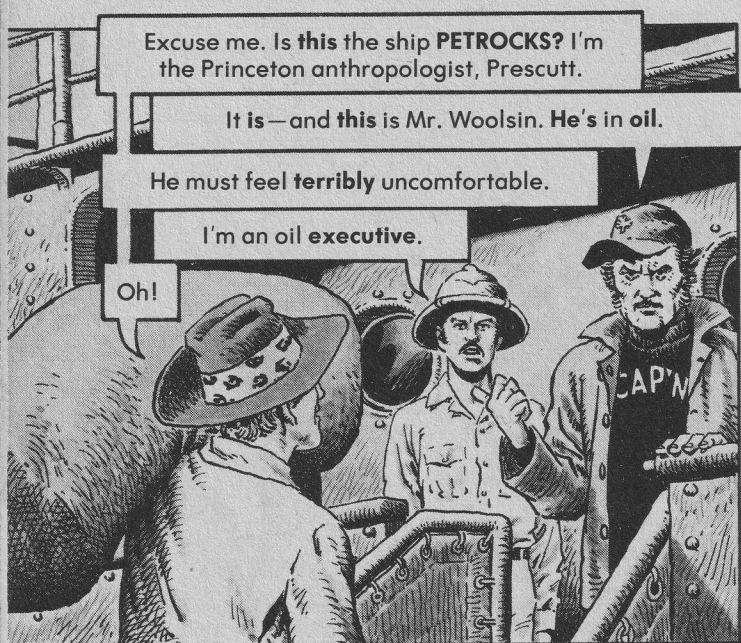

Back in 1933, there was a monster that won everyone's heart—no, it wasn't the depression! It was the same monster that's back again as the biggest movie of the year—none other than the big guy, with the colossal five o'clock shadow, named

# KING KUNG

Sorry, but I  
don't know  
**how to conga!**

Being a Princeton man, I just happen to speak a **few** words of this language and I believe he's **asking** you for a **match**.

The natives —  
they've **taken**  
**Dwon!**

Perhaps it **wasn't** a match  
he was asking for **after** all.

We've **got** to  
rescue her.

Good idea.  
I'll wait here.

**It appears they've tied her to that altar.**

## But why?

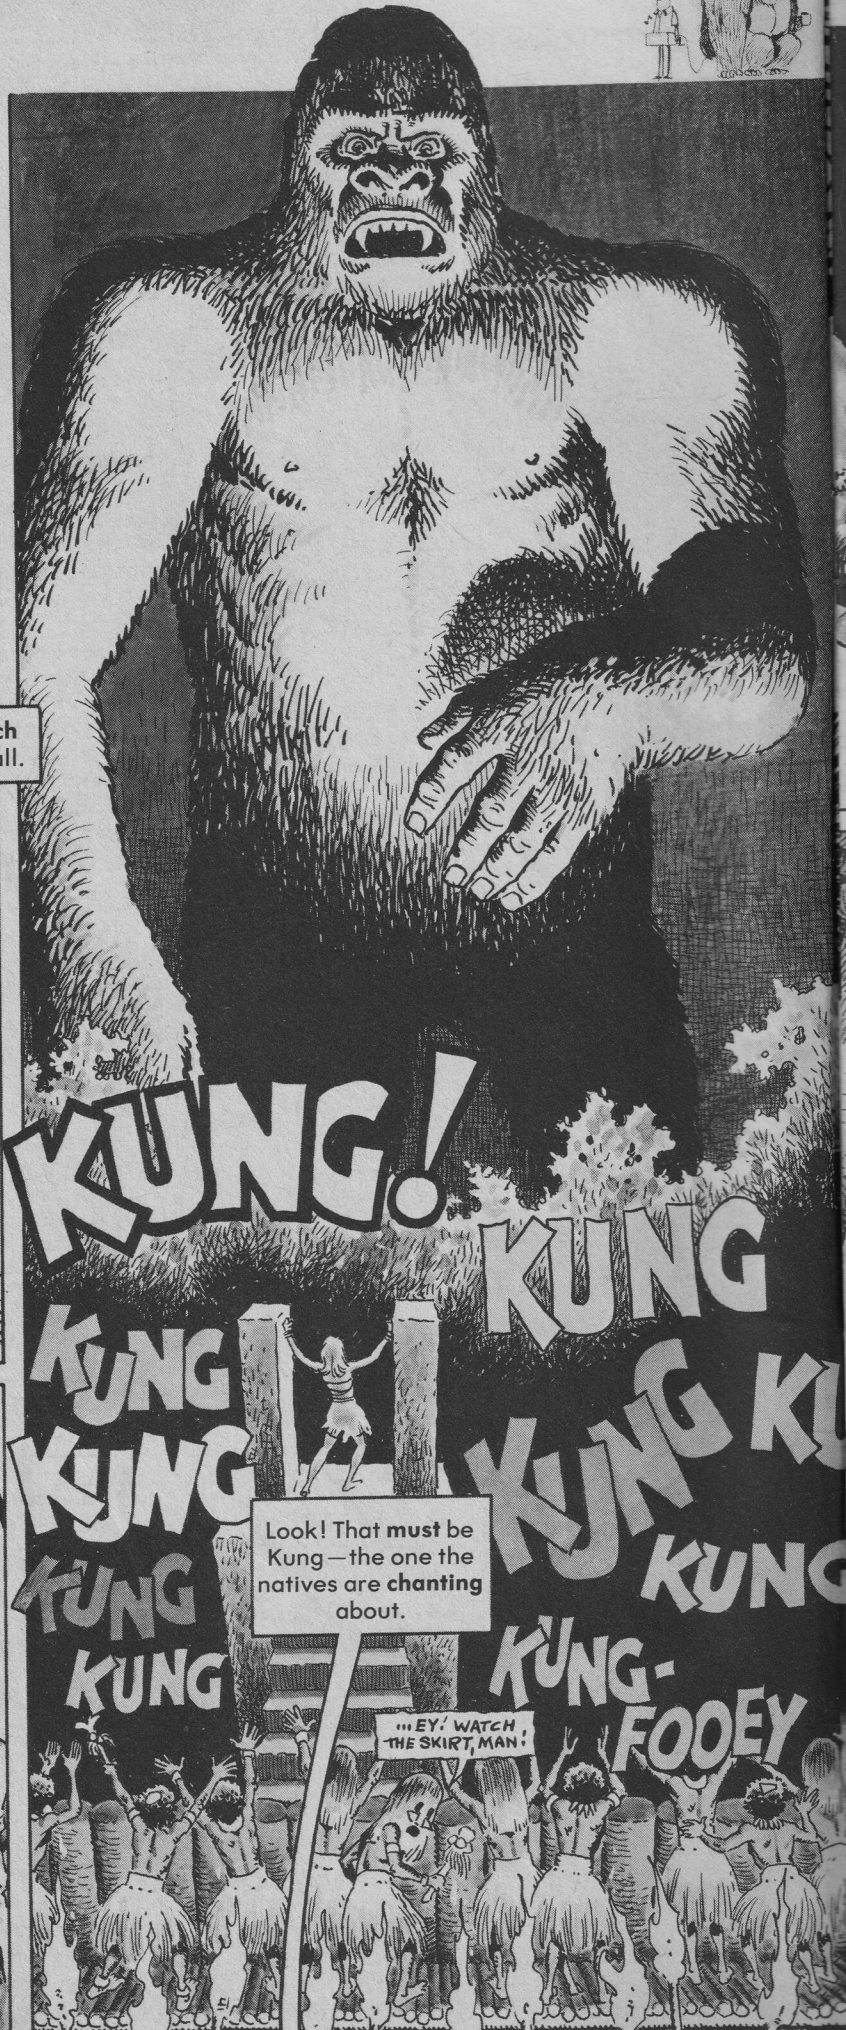

...PALM  
TREE!

**Obviously for alterations!**

Look! That **must** be  
Kung—the one the  
natives are **chanting**  
about.

...EY! WATCH  
THE SKIRT MAN.

8

Oh no!  
He's  
carrying  
Dwon  
away.

We've got to rescue her.

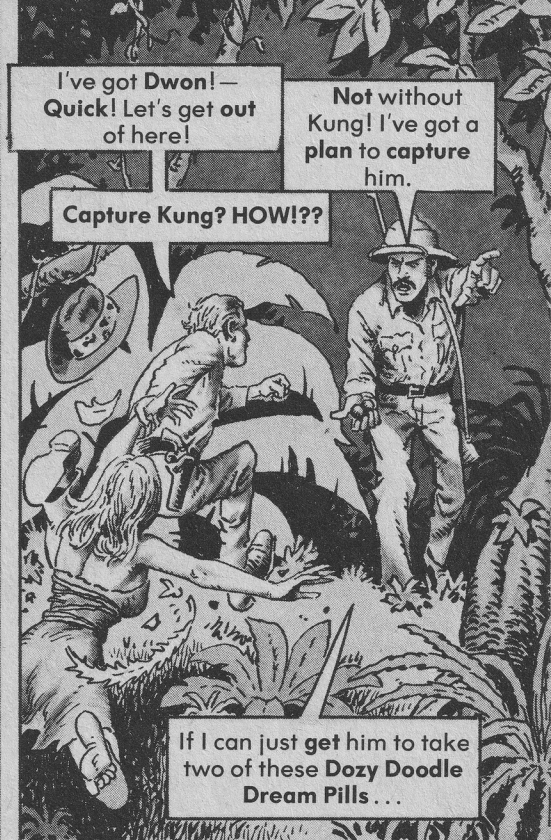

Rescue her?  
We've gotta  
capture him.  
Why, he'd  
make even  
more money  
for me than  
even a barrel  
of oil!

Wait! He's put Dwon  
down to tie his shoelace.

That's a snake!

Oh!

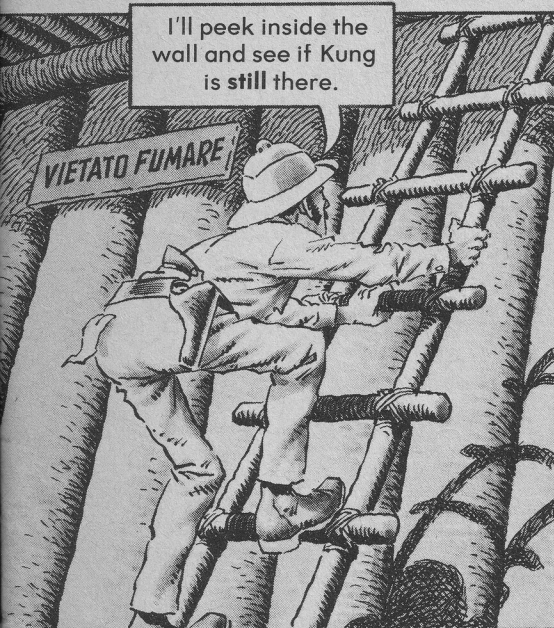

I've got Dwon! —  
Quick! Let's get out  
of here!

Not without  
Kung! I've got a  
plan to capture  
him.

Capture Kung? HOW!??

If I can just get him to take  
two of these Dozy Doodle  
Dream Pills ...

I'll peek inside the  
wall and see if Kung  
is still there.

He is!!

BASH

He's after Dwon!

Quick. Do as I say —  
stick out your foot.

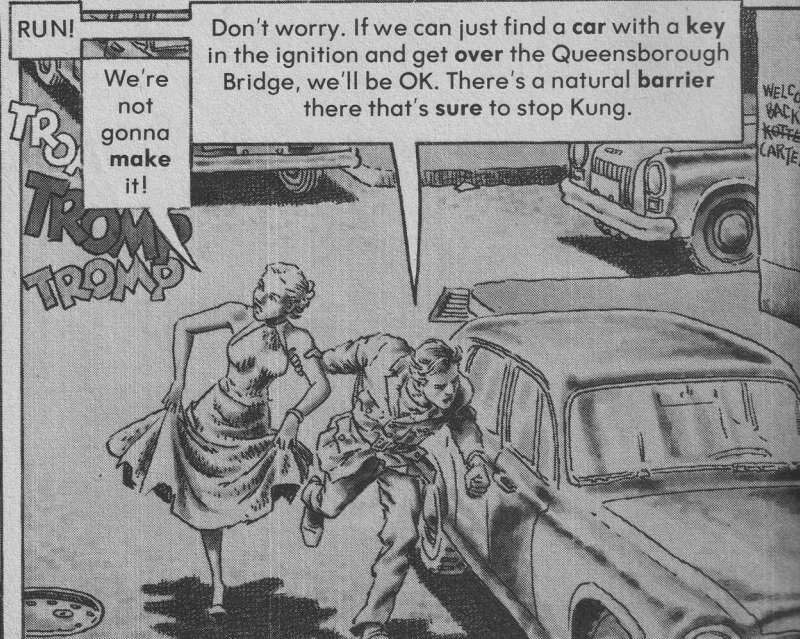

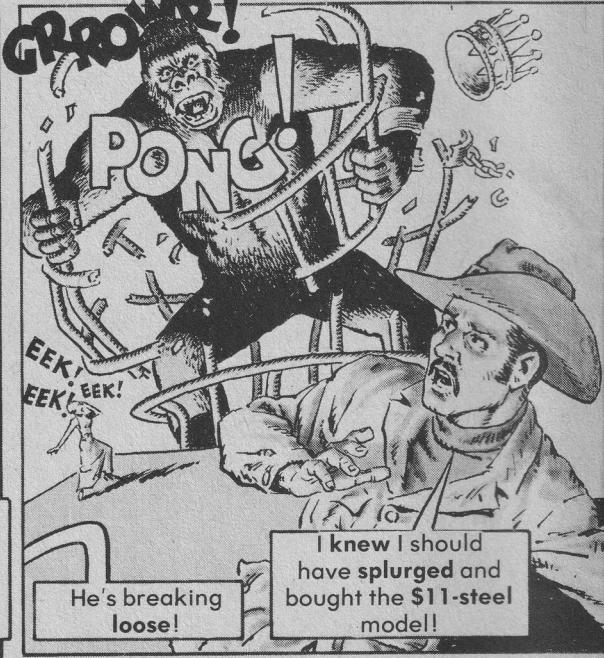

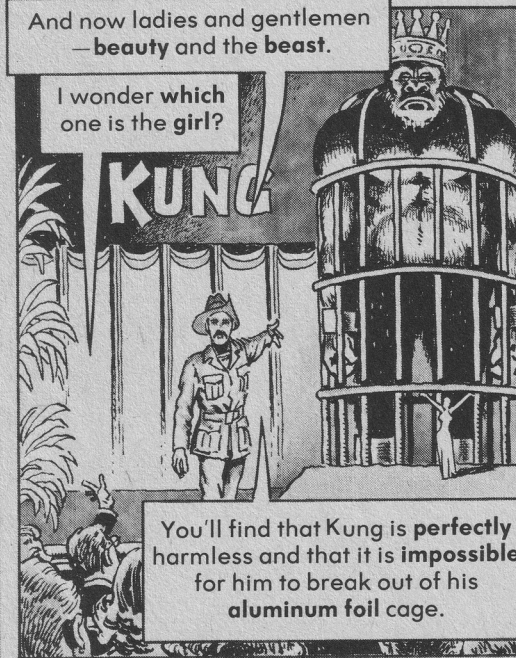

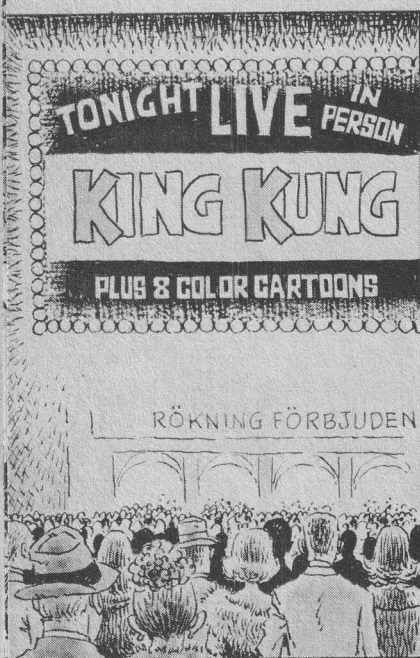

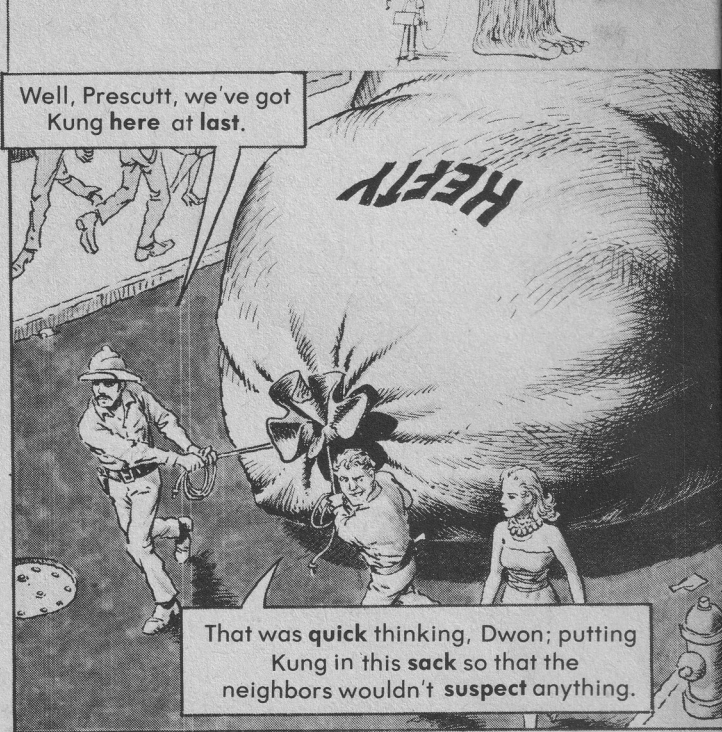

CRACKED is trying to find out if time flies first  
class or tourist!

KEE-RUMP!

CRACKED is trying to make good scents out of pollution!

Then I'll just climb up the trade center and try to talk Kung down.

Why not take the elevator?

It's only 182 floors!

POW!

SKREEM!  
SKREEM!

HOT DOGS

WELCOME BACK CARTER!

Dwon, are you alright?!!

They got the big lug — just when he gave me this ring and asked me to marry him.

There. There.

HEY...  
YOU'RE NOT  
SPOT!!

I could have been someone — Mrs. Dwon Kung — but now he's dead and nothing — nothing will ever bring him back to life again.

Wanna bet?

"King Kong" is probably the most talked about star to hit Hollywood since Bruce, the great white shark of "Jaws." Because of all this gossip and publicity, new acting offers are bound to come pouring in and, pretty soon, it'll be TV for the Kong. "But what kind of roles can a 50' gorilla play?" you ask. The answer is simple and can be found in this next article entitled

They're heading for the **top** of that tall **building** across the street.

Stebe, I've got a **very important** mission for you this time and . . . Hey! What are you **doing** lifting Arnold Horshack up over your head?

Just following orders, Oskar. You told me to work out with a dumbbell.

HEY! YOU'RE NOT SPOT!!

What's the mission?

What about Jamie Summers?

A giant hen has been **terrorizing** the countryside and you're the only one who can stop it.

She's at the beauty parlor.

Oskar was right! There is a giant hen!

BEEP BEEP BEEP BEEP

Stop right there!

LAVERNE AND SHIRLY

Laverne, it's finally happened! Today I met that tall, dark stranger the fortune teller said would bring me a million dollars.

Here's his picture.

Ah, Shirl—this **isn't** a man! It's a **monkey**—a very, very big monkey!

I know. All the gypsy said was that he'd be tall and dark. She said **nothing** about him being human.

O.K., how's this guy gonna bring you a million dollars?

See! You're interested! Meet me outside in five minutes!

BORETTA

O.K. Kong. When do you think we should move in for the bust?
