KING KONG

Directed by John Guillermin, this is the 25 million dollar-plus updated version of the 1933 classic (featured in f&t's Cult Movies series, January 1975). It stars Jessica Lange, Jeff Bridges and Charles Grodin. Produced by Dino De Laurentiis

No bars can hold the mighty Kong, who is destined to cause unparalleled panic in the streets

Jessica Lange as Dwan, tied to an altar by natives to await her fate at the hands of Kong

But Kong is fascinated by the small creature he finds cradled in his paw

Beauty at the mercy of the 'beast' . . . but who is the real victim of human misunderstanding?

Mere humans, who somehow find the sight of Kong a frightening one. Prescott (Jeff Bridges) tries to protect Dwan

**The most exciting original
motion picture event of all time.**
